If people only knew what we know about Kodol Dyspepsia Cure, it would be used in nearly every household, as there are few people who do not suffer from a feeling of fullness after eating, belching, flatulence, sour stomach or water-brash, caused by indigestion or dyspepsia. A preparation, such as Kodol Dyspepsia Cure, which, with no aid from the stomach, will digest your food, certainly can't help but do you good. South & Longmoor and W. McKee Hardie.

## THE RATIONALE OF FIRE RATES.

[By A. F. Dean.]

Of this finely written work we can say nothing better than is said in the following:

"There have been many able books and papers relating to fire underwriting practices and problems, but it is safe to say that one of the very ablest as well as most interesting productions of the kind that has been brought to the notice of the American underwriters in recent years is the newly published book, entitled 'The Rationale of Fire Rates.'"

"No description of the book, unaccompanied by illustrative matter drawn from its own pages, could do justice to its unusual merits. It is a book that deserves to be carefully read by every underwriter whose ambition is to excel in his business. It is of a kind, moreover, that must needs be read studiously to be duly appreciated. There is nothing of the tyro about it, no flippancy of treatment; little or no thrashing of old straw; no ill-conceived assumptions; no startling contentions. On the contrary, it teems with proofs of the master hand, the proudest alike of expert technical skill and a high order of literary ability. There is meat enough in its 225 pages to furnish the texts and groundwork of scores of elaborate underwriting treatises, and from beginning to end it is written in a most attractive style."

"I have been suffering from dyspepsia for the past twenty years, and have been unable after trying all preparations and physicians to get any relief. After taking one bottle of Kodol Dyspepsia Cure I found relief and am now in better health than I have been for twenty years. I can not praise Kodol's Dyspepsia Cure too highly." Thus writes Mrs. C. W. Spafford, North Creek, Ark. South & Longmoor, W. McKee Hardie.

## [For The Roundabout.] IN MEMORIAM.

In memory of our daughter, Ella Sheets, who died August 25, 1900.  
Happy the angels, in heaven above,  
To have her for their own,  
But, heaven's gain, in angel love,  
Has left us so sad, and so lone.

For, Ella, we miss thee at eve; and at noon,  
We miss thee at rising of sun,  
And, oh! it seems cruelly hard and soon,  
To say, "Let thy will be done!"

Yet, we know that, "He doeth all things well,"  
None may know it better than we,  
But, of all the blessings we here have to tell,  
None was so great as she.

While languishing on her bed she would say,  
"I am trusting God's holy word.  
Remember, dear ones, 'tis a debt all must pay,  
Praise the Lord, oh, praise the Lord!"

With aching hearts, we "kiss the rod,"  
And try to submissively be,  
For, in that city whose builder and maker is God,  
A larger claim have we.

Another loved one, in the white-robed throng,  
Is standing at His right hand  
But, Ella, the longest will not be long,  
'Till we meet in that sweet Beulah land.

There is something I want to tell you, she said,  
And something I want you to do,  
With the things that are mine, when I shall be dead,  
I will leave it all with you.

Give something to all, of the things that I leave,  
(I never shall wear them more).  
A spotless robe at His hands I'll receive,  
When this pain and death are o'er.

If not praying to die, when the death angel bore,  
Her away in his arms, so cold,  
We prayed as we never had prayed before,  
That He guard closely the call for our souls.

For, life without her, seemed too sad to bear,  
And death so perilously sweet,  
That we fain would offer the impious prayer,  
Let the call for our souls be fleet.

Heaven seemed so close, we could almost hear,  
The sound of angel wings,  
And we so longed to go, and be with her,  
And so dreaded what the years must bring.

But, 'tis right—all right—though rebellious we may,  
Arraign God's works and will,  
For, we find, as we tread life's dark, thorny way,  
His Son intercedes for us still.

Then, sweet saint, by reason of this faith we may  
Whisper our farewell to thee,  
For an earnest of that Heaven is with us always,  
Keeping us nearer to thee.

HER FATHER AND MOTHER.

Mr. W. J. Baxter of North Brook, N. C., says he suffered with piles for fifteen years. He tried many remedies with no results until he used DeWitt's Witch Hazel Salve and that quickly cured him. South & Longmoor, W. McKee Hardie.

# WHERE DID HE GET HIS FACTS?

In the Evening Post, of Monday last, there appeared the following dispatch:

"Frankfort, Ky., April 22.—Kentucky river is out of its banks at the lower edge of Frankfort, just below the mouth of Benson creek, and is rising at the rate of three inches per hour. No great damage has yet been done, but the river is at the danger line, with every indication of a continued rise. Navigation is entirely suspended, on account of the freshet. The water is nearly over the roof of the wharf, at which the steamboats land below the St. Clair street bridge, and the river is full of drift wood.

"This shows a rise of about sixteen feet since Friday night. The continued rains will probably cause a further rise of several feet, which will flood the lower part of the town. The river is not, however, expected to get as high as it did in 1884, when the streets in the business portion of the town were under water and rowboats were seen tied to lamp posts about State House Square.

"Benson creek is out of its banks and is as broad as Kentucky river usually is."

In the first place the river has not left its banks, nor has the water reached the roof of the ware house, on the Custom House Wharf by nearly three feet, much less over it. In the next place, the river did not get out of its banks at all in 1884. In 1888 the river was higher than ever known before, but did not reach the business streets of the city, and there were no boats ever tied up at lamp posts around the State House yard. The low grounds, back of the State House, were overflowed, as has been the case four or five times in our knowledge, but south of the State House grounds the water never rose to the streets.

It was bad enough as it was, but for pity sake, don't make it any worse.

We would advise our friend to call on some one who knows before he sends out such misleading articles as this.

## A VERY REMARKABLE REMEDY.

"It is with a good deal of pleasure and satisfaction that I recommend Chamberlain's Colic, Cholera and Diarrhoea Remedy," says Druggist A. W. Sawtelle, of Hartford, Conn. "A lady customer, seeing the remedy exposed for sale on my show case, said to me: 'I really believe that medicine saved my life the past summer while at the shore,' and she became so enthusiastic over its merits that I at once made up my mind to recommend it in the future. Recently a gentleman came into my store so overcome with colic pains that he sank at once to the floor. I gave him a dose of this remedy which helped him. I repeated the dose and in fifteen minutes he left my store smilingly informing me that he felt as well as ever." Sold by J. W. Gayle and South & Longmoor.

Sunday excursion to Cincinnati, Queen & Crescent Route, May 5th.

## FOUGHT FOR HIS LIFE.

"My father and sister both died of consumption," writes J. T. Weatherwax, of Wyandotte, Mich. "and I was saved from the same frightful fate only by Dr. King's New Discovery. An attack of pneumonia left an obstinate cough and very severe lung trouble, which an excellent doctor could not help, but a few months' use of this wonderful medicine made me as well as ever and I gained much in weight." Infallible for coughs, colds and all throat and lung trouble. Trial bottle free. Guaranteed bottles 50c. and \$1. J. W. Gayle.

### STRANGE BIRD KILLED.

Mr. Wm. Rozell, who works at the Ky. River Lumber Co.'s saw-mill, shot and killed a strange bird, on the river, last week. Its feathers were stone color on the back and wings, white underneath, with black head and part of neck, and patch of black on wings. It was almost as large as a goose, and had three black and white feathers springing from back of head, which were nearly a foot long. What was it?

## The Welcome

At the door from a happy, healthy wife, is something which the husband looks forward to all through the day's labor. He may be tired, but his step lightens and his face brightens as he quickens his pace to receive the smiling welcome of his wife. What a difference in the home-coming of the man whose wife is nervous and gloomy, and having neither heart nor strength to be glad. Many such a husband has worked a transformation in his home-life by learning of the cures performed by Dr. Pierce's Favorite Prescription. It cures diseases of the delicate organs, builds up the nerves, induces refreshing sleep, and transforms the sickly woman into the happy helpmeet.

There is no alcohol in "Favorite Prescription" and it is absolutely free from opium, cocaine, and all other narcotics.

"My wife was sick for over eight years," writes Albert H. Pullis, Esq., of Altamont, Grundy Co., Tenn. "She had uterine disease and was treated by two physicians, but got no relief. At last I read in one of your Memorandum Books, about Dr. Pierce's medicine, and we decided to try his 'Favorite Prescription.' I sent to the drug store and got one bottle, and the first dose gave ease and sleep. She had not slept any for three nights. Being sure that it would cure her I sent for five more bottles, and she is now well. I take the sixth bottle she was sound and well. We now have a fine boy at our house."

**"FAVORITE PRESCRIPTION"**  
MAKES WEAK WOMEN STRONG  
AND SICK WOMEN WELL.

### SHUDDERS AT HIS PAST.

"I recall now with horror," says Mail Carrier Burnett Mann, of Levanna, O., "my three years of suffering from Kidney trouble. I was hardly ever free from dull aches or acute pains in my back. To stoop or lift mail sacks made me groan. I felt tired, worn out, about ready to give up, when I began to use Electric Bitters, but six bottles completely cured me and made me feel like a new man." They're unrivaled to regulate Stomach, Liver, Kidneys and Bowels. Perfect satisfaction guaranteed by J. W. Gayle. 50c only.

### THE SUNNY SOUTH.

We take pleasure in calling attention to the advertisement of the Sunny South in this issue. This splendid publication has entered its twenty-sixth year, and appears now in better weekly form than heretofore. It is the Southern Literary Weekly so long looked for by our people. For the coming year at least it is at a popular price, less than a penny a number, fifty cents a year. The publishers propose an excellent value in such an investment.

It contains numerous literary features, editorials of the highest order, a column of "Sunshine," special departments, the "Household" and various sketches and stories appealing to every hearthstone. Besides presenting a great story, Tristram of Blent, by Anthony Hope, now in its mind interest, the Sunny South has arranged for the publication of an excellent new serial story, just beginning, "Rosalynde's Lovers," by Maurice Thompson. This well known author, whose death was recently announced, was especially pleasing to the people in his "Alice of Old Vincennes," "A Tallahassee Girl," and in "Sweetheart Manette." This, his last story, is in a delightful style and portrays Southern scenes with the real artist's delicate touch. It may well be regarded by the editors as a splendid feature, replete with romantic detail, picturesque and attractive from beginning to end. Don't miss it.

The Sunny South is to be devoted to literature, romance, fact and fiction. This is a wide field, and is being well covered if we may speak from the copies examined. And only fifty cents a year, with no let down in splendid make up and matter of special Southern interest, every week.

For a stiff neck there is nothing better than a free application of Chamberlain's Pain Balm. It quickly relieves the stiffness and soreness, effecting a complete cure. For sale by J. W. Gayle and South & Longmoor.

### Fine Blue Grass Farm at Public Auction.

FOR the purpose of division of the estate of J. N. Blakemore, deceased, the farm on which he resided for many years before his death, situated in Franklin county, Kentucky, 7 miles from Frankfort, on the Lawrenceburg turnpike, will be sold at public auction, to the highest bidder, on the 15th day of May, 1901, on the premises.

There are almost 200 acres of land, about 150 acres of which are in blue grass and meadow, 25 acres growing in rye and 25 acres being cultivated in corn. There are forest trees, principally sugar maple, on about 50 acres of the blue grass.

The dwelling is a two-story frame, built only a few years, with ten rooms, finished in hard wood and located on a commanding eminence. There are on the place two good barns, with other suitable outbuildings, including ice house now full of ice, and large orchards of apples, pears and peaches in full bearing.

There is a postoffice and telephone station within a mile of the house, at Farmdale, and Alton Station, on the Louisville Southern Railroad, is but three miles distant. The land is in the best condition for cropping, and the fencing and improvements are in good repair.

At the same time and place all the household and kitchen furniture will be sold, together with all the horses, cattle, sheep, hogs, farming implements of every description, and all poultry on hand.

The sale of the land and personalty will be without reserve, to close the affairs of the estate, the land for one-third cash, balance in one and two years, with 6 per cent, interest from date of sale, secured by lien on the land. The personalty on credit for three months, with negotiable notes and good security. For all sums over \$10.00 that amount will be cash.

Possession of all property will be delivered immediately on compliance by the purchasers with terms of sale.

Inquiries about the sale may be addressed to Mr. MARY E. BLAKEMORE, Adm'r. April 15, 1901.

### A GENTLE HINT

In our style of climate, with its sudden changes of temperature—rain, wind and sunshine often intermingled in a single day—it is no wonder that our children, friends and relatives are so frequently taken from us by neglected colds, half the deaths resulting directly from this cause. A bottle of Boeches's German Syrup kept about your home for immediate use will prevent serious sickness, a large doctor's bill, and perhaps death, by the use of three or four doses. For curing Consumption, Hemorrhages, Pneumonia, Severe Coughs, Croup, or any disease of the Throat or Lungs, its success is simply wonderful, as your druggist will tell you. Get a sample bottle from John W. R. Williams & Co., Frankfort, Ky. Regular size, 75c. Get Green's Prize Almanac. 31-ly

Choice Red Salmon, 10c. per can, at Langdon-Creasey Co.'s. 34-11.

John L. Scott will sell his beautiful Edgewood Home at public auction at 3 p. m. Saturday, May 4, 1901. It fronts nearly 800 feet on East Main street, and contains about 27 acres. Half cash, balance in 10 years at 5 per cent. 30-41

### ASPRAINED ANKLE QUICKLY CURED.

"At one time I suffered from a severe sprain of the ankle," says Geo. E. Cary, editor of the Guide, Washington, Va. "After using several well recommended medicines without success, I tried Chamberlain's Pain Balm, and am pleased to say that relief came as soon as I began its use and a complete cure speedily followed. This remedy has also been used in my family for frost bitten feet with the best results. I cheerfully recommend its use to all who may need a first-class liniment." Sold by J. W. Gayle and South & Longmoor, druggists.

## The Frankfort Roundabout

Entered at the postoffice at Frankfort, Kentucky, as second-class mailable matter.

Geo. A. LEWIS, Editor and Pub.

FRANKFORT, MAY 4, 1901.

### NARROW ESCAPE.

On Saturday last Mr. Wm. Sea, who lives on South Elkhorn, and who is an invalid and confined to bed, came near being burned to death. A spark from a wood fire popped out on the bed in which Mr. Sea was lying, setting it on fire.

The timely return of his daughter to the room and assistance from passing gentlemen, saved Mr. Sea from a horrible death.

Try the new remedy for costiveness, Chamberlain's Stomach and Liver Tablets. Every box guaranteed. Price 25 cents. For sale by J. W. Gayle and South & Longmoor.

### QUANTITY OF FISH.

The recent rise in the river caused the back water to flow out over the Benson bottoms. When it receded there were large numbers of fish left in small pools near the creek. On Sunday there were quite a number of men and boys who succeeded in catching some fine fish out of these pools, especially Buffalo perch, of which some caught weighed from five to twenty-five pounds. There were several spoon-bill cats caught also.

Sunday excursion, Queen and Crescent Route, May 5th, \$1.25 round trip to Cincinnati.

### SEVERELY CUT.

On Monday evening a young girl by the name of Miss Sis Thomson, daughter of the late Wert Thomson, was so unfortunate as to fall through a window at the home of her uncle, Mr. Geo. F. Thomson, the glass cutting several severe gashes in her right arm.

Surgical attention was rendered and she is doing nicely.

Pneumonia follows la grippe, but never follows the use of Foley's Honey and Tar, the great throat and lung remedy. South & Longmoor and W. McKee Hardie.

### CAPITOL BOTTLING WORKS.

We are placed under obligations to the Capitol Bottling Works for a sample of their goods, which we have tried and found splendid.

## Consumption

is, by no means, the dreadful disease it is thought to be in the beginning.

It can always be stopped in the beginning. The trouble is: you don't know you've got it; you don't believe it; you won't believe it—till you are forced to. Then it is dangerous.

Don't be afraid; but attend to it quick—you can do it yourself and at home.

Take Scott's Emulsion of Cod Liver Oil, and live carefully every way.

This is sound doctrine, whatever you may think or be told; and, if heeded, will save life.

If you have not tried it, send for free sample, its agreeable taste will surprise you.  
SCOTT & BOWNE, Chemists,  
409 Pearl Street, New York.  
50c. and \$1.00; all druggists.

This is a new enterprise, and should meet with the patronage of all who use mineral water, pop, etc.

Mr. John Rolli, the manager, is an energetic and capable man, and his genial assistant, Mr. Jephtha Robinson, who is a Frankfort boy, is too well known to need introduction.

Biliousness is a condition characterized by a disturbance of the digestive organs. The stomach is debilitated, the liver torpid, the bowels constipated. There is a loathing of food, pains in the bowels, dizziness, coated tongue and vomiting, first of the undigested or partly digested food and then of bile. Chamberlain's Stomach and Liver Tablets allay the disturbances of the stomach and create a healthy appetite. They also tone up the liver to a healthy action and regulate the bowels. Try them and you are certain to be pleased with the result. For sale by J. W. Gayle and South & Longmoor.

A cough is not a disease, but a symptom. Consumption and bronchitis, which are the most dangerous and fatal diseases, have for their first indication a persistent cough, and if properly treated as soon as this cough appears are easily cured. Chamberlain's Cough Remedy has proven wonderfully successful, and gained its wide reputation and extensive sale by its success in curing the diseases which cause coughing. If it is not beneficial it will not cost you a cent. For sale by J. W. Gayle and South & Longmoor, druggists.

### CURED A RUNNING SORE.

"I had a bad running sore on my breast for over a year," says Henry R. Richards, of Wilkesville, N. Y., "and tried a great many remedies, but got no relief until I used Banner Salve. I can not recommend it too highly, and will never be without it in the house."

### APPRECIATION.

Mr. L. B. Weisenburgh, our popular and enterprising miller, who was so unfortunate as to be burned out, Thursday night of last week, has shown his appreciation of the good, faithful and intelligent work done by our fire boys at the fire by sending them a check for \$25. This is just as it ought to be. The boys are always ready to risk their lives in fighting fires, and they are not generally appreciated as they ought to be.

Sound advice to those who have kidney and bladder troubles, is to take a safe, sure medicine like Foley's Kidney Cure. It always benefits the kidneys. South & Longmoor and W. McKee Hardie.

Burdin also preaches there quite often. He will conduct services there next Sunday; May 5th. These meetings are all held at the Presbyterian Church, as the Christian Church was damaged by fire. They are going to build a new one or repair the old one as soon as possible.

What has become of our able

corps of correspondents? Surely they are not all going to stop writing for the Roundabout. Cheer up and write every week, each and every one of you. I am sure we all appreciate your news items.

## Nerves Need Fuel

To feed the vital fires or they lose the power to regulate and control the body. Unnatural stimulants won't do. Like an air blast on dying embers they cause a sudden flash of heat—then all is dead. Give the nerves plenty of fuel, and the worry and fretting, the headaches, the nervousness, loss of sleep, deranged digestion, neuralgia, rheumatism and heart troubles, that burn up the brain substance and destroy the nerve-force, will disappear forever. Don't wait till the fires are burned out. Begin now.

"I was troubled a long time with extreme nervousness caused by indigestion and the excessive use of tobacco. I used several bottles of Dr. Miles' Nervine and it gave me great relief. I use it occasionally now, when restless and tired out, and always with good results. It keeps me in good health, and I recommend it to all who have weak nerves."

SAM McKELVY, Tax Assessor, Denton, Texas.

## Dr. Miles' Nervine

creates a good appetite, stimulates digestion, quiets nervous irritation, gives refreshing sleep and sends plenty of fresh blood to the furnaces of the brain and nerves.

Sold by druggists on guarantee.

DR. MILES MEDICAL CO., Elkhart, Ind.

tian Endeavor meets at 8:45 p. m. Prayer-meeting Wednesday evening at 7:30 p. m.

**Washing Willow Furniture and Wicker Chairs**  
Willow chairs soon become soiled, but they can be cleaned to look like new with  
**Gold Dust Washing Powder**  
and warm water. Use a scrubbing brush; when water becomes the least soiled, get fresh; follow with a soft, dry chamois cloth, and wipe dry. White iron beds can also be washed by this method, but must be wiped dry quickly.  
The store is taken from our free booklet "Washing Willow Furniture and Wicker Chairs". Send free on request to
